Equality Information, Objectives and Action Plan

Academy policy statement on equality and community cohesion

Ormiston NEW Academy is committed to promoting equality and diversity as well as a culture that actively values difference and recognises that people from different backgrounds and experience can bring valuable insights that enhance our academy for both staff and students. Ormiston NEW Academy aims to be an inclusive academy, where diversity is valued, respected and built upon and reflects the community it serves.

Ormiston NEW Academy is committed to ensuring that both members of staff and students are treated fairly in an environment which is free from any form of discrimination with regard to the following nine protected characteristics as outlined by the Equality Act 2010:

- age
- disability
- gender reassignment
- marriage and civil partnership
- pregnancy and maternity
- race (includes colour, nationality and ethnic origins)
- religion and or belief
- sex
- sexual orientation

We welcome our public sector duty under the Equality Act 2010 to publish equality objectives and information. The general equality duty is set out in section 149 of the Equality Act 2010. In summary, this aims to:

- Eliminate unlawful discrimination, harassment and victimisation, by tackling prejudice and promoting understanding.
- Foster good relationships between people who share a protected characteristic and those who do not.
- Advance equality of opportunity between people who share a protected characteristic and those who do not by:
 - Removing or minimising disadvantage suffered by people due to their protected characteristic.
 - Taking steps to meet the needs of people with certain protected characteristics where these are different to the needs of other people, including taking steps to take account of disabled people's disabilities.
 - Encouraging people with certain protected characteristics to participate in public life or in other activities where their proportion is disproportionately low.

In all our activities we act in accordance with the equality act and our equality policy which can be found on our [website](#).

As part of this we will:

- Publish information every year about our academy population
- Outline how we have due regard for equality and how we promote community cohesion
- Publish an equality action plan to show how we plan to tackle particular inequality challenges specific to our context

The Governors and staff of Ormiston NEW Academy understand that compliance with the General Equality Duty is a legal obligation that will better inform decision making and policy development. They further recognise that achieving the aims stated will ensure the academy is able to successfully meet the needs of our diverse population of students and to draw on the talents of a diverse local community, thus ensuring our staff and governors better represent the wider community that we serve.

Our plans to meet these objectives will be monitored annually.

How we have due regard for equality

The information below is a summary of how the Academy is aware of this particular requirement and how we respond to it. Please contact us or visit our website if you require further information and would like to see copies of any of our policies.

To meet our duty to have due regard to the need to eliminate unlawful discrimination, harassment and victimisation and other conduct towards individuals with protected characteristics we:

- Ensure related policies are in place – including anti-bullying, e-safety and cyber-bullying, behaviour, safeguarding, more able, and SEN
- Give due regard of equality issues in decisions and changes we make – engaging with and consulting students, staff, parents and carers, the local community so we can improve our information, learn about the impact of our policies, develop our equality objectives and improve what we do
- Have in place an accessibility plan
- Have an induction process for new arrivals and ensure that the admission arrangements do not disadvantage groups of students
- Monitor and report on exclusions and all incidents of harassment and discrimination
- Provide adequate training for all staff members and governors including safeguarding and SEN issues
- Follow our published complaints procedure
- Adhere to non-discriminatory employment practices
- Have in place staff and student codes of conduct
- Have a balanced curriculum with an activity and enrichment programme that is accessible to all students
- Provide additional support and apply reasonable adjustments where necessary
- Involve disabled learners, their families and disabled staff in the changes and improvements we make and consult them on issues that concern or affect them
- Track and monitor identified groups and their access and performance and aim to reduce gaps between groups
- Have an E-Security and E-Safety Policy that take all E-safety issues seriously. 'Acceptable- Use' policies are signed and adhered to by all students and staff.
- Keep a record, where appropriate of the protected characteristics of our students and employees

Through our Citizenship and PSHE education, we work hard to eliminate discrimination, harassment and victimisation. We have a comprehensive curriculum that addresses SMSC and students are encouraged to think about the world in which they live as well as broaden their understanding of others' beliefs, cultures and faiths.

We have a vibrant and well-represented student council that ensures students have a direct voice to discuss matters that relate to their concerns and overall well-being in the academy and its immediate environment. The academy council is strong and articulate, contributing to whole academy decision making with students.

We understand that attendance plays an integral part in students' achievement at academy. Thus, through our Attendance Policy, we investigate any discrepancies that may occur and aim to address inequalities appropriately.
