5<sup>th</sup> June 2025

Dear parent/carers

This week, in response to lots of new admissions into Year 8, and recent progress conversations, the decision was taken to re-set Year 8 students rather than continue with class sizes of 34 and children in the wrong sets.

Unfortunately, it has come to my attention that a technical error occurred leading to students being placed in the incorrect sets in H block, which covers all humanities subjects as well as drama, DT, art, computing and music.

I am really grateful to those parents that contacted us to raise this and, as a result, we have been able to rectify this, with students moving to their correct sets from Monday 9<sup>th</sup> June.

Students should be able to check their new set on Edulink within the next 24 hours. If your child was one of those impacted negatively by this, I apologise for the distress this must have caused, and can assure you that it won't happen again.

If, following these new set changes, you do have any further queries please do not hesitate to contact us on [info@onewa.co.uk](mailto:info@onewa.co.uk).

Yours sincerely

R. Warner

Mrs Warner  
Senior Vice Principal
