Dear Parents and Carers,

We're excited to share some news about how we're enhancing your child's learning experience through Seneca Learning.

What is Seneca?

www.senecalearning.com is an online learning platform that has high-quality courses for all almost all subjects at Key Stage 3 and Key Stage 4

Your child will be able to log into Seneca on a phone, tablet or computer and will use the platform to access their homework. Seneca's Premium pass offers them access to:

- Over **1300 online courses** such as Hardest Questions, Predicted Papers, and HyperLearning.
- **Smart Learning Mode** using data & neuroscience to tell your child exactly what to learn and when to learn it.
- **Wrong Answer Mode** helps students learn as quickly as possible.

All student accounts will be set up with their school email address and they will be guided through account set up, login and how to use the platform.

As part of our onboarding process, we will be sharing relevant student and parent information with Seneca, such as first and last names and email addresses. This allows Seneca's system to link student accounts and parent emails correctly. If any of your contact details are not up to date, please contact the Academy on info@onewa.co.uk to have them updated.

Parents can sign up for a free Seneca parent account here: <https://app.senecalearning.com/sign-up-parent>

Seneca have made this handy [2 minute video](#) and step by step guide to help you get started.

If you have any questions about how Seneca works, you can get support from the Seneca team using the live chat on their website or you can email them at learnmore@seneca.io

Seneca's free parent accounts allow you to track your child's learning and help make conversations about school and learning easier. Seneca's parent accounts also allow you to learn alongside your child which may be helpful in supporting you to work with your child on areas of their school work that you are less familiar with.

If, however, you would prefer to opt out of using Seneca and sharing your contact details, please contact the Academy at info@onewa.co.uk. We will process your request and remove your details as quickly as possible.

We're confident that Seneca will make our students' learning experience even better. Thank you for your continued support, and please don't hesitate to get in touch if you have any questions.

Yours sincerely

Mr. C. Cooling
Principal
