Tuesday 16th December 2025

Dear Parent/Carer,

We would like to inform you that Ormiston NEW Academy is in the process of migrating to a new Management Information System (MIS), called Arbor. This change is being made internally to help us improve how we manage data and communicate with families.

As with any major system transition, there may be some disruption during the first week while we complete the move and ensure everything is running smoothly. We kindly ask for your patience and understanding during this period.

For the time being, we will continue to use EduLink for parental access. However, as part of the migration, you will be required to set a new password when you next log in. Further details about this will be shared shortly.

In the longer term, we will be transitioning from EduLink to the Arbor app, which will provide a more streamlined and user-friendly experience. We will keep you fully updated as this develops and ensure you have all the information you need before any changes take place.

Thank you for your continued support.

Yours sincerely,

Mr. Cooling
Principal
Ormiston NEW Academy
