3<sup>rd</sup> July 2026

Dear Parent/Carer,

## **\*\*End of Year Celebration – On-Site Carnival – Thursday 16th July\*\***

As we approach the end of what has been a very positive and successful academic year, we are delighted to share some exciting news. To celebrate our students' hard work, achievements, and commitment throughout the year, Ormiston NEW Academy has arranged for a fun-filled on-site carnival to take place on Thursday 16th July.

During the school day, students will have the opportunity to enjoy a wide range of exciting rides and attractions, including:

- |                        |                  |                                   |
|------------------------|------------------|-----------------------------------|
| * Dodgems Ride         | * Assault Course | * Bucking Bronco                  |
| * Football Darts       | * Mega Slide     | * Large Inflatable Helter Skelter |
| * Human Football Table | * Bungee Run     |                                   |

In addition to these attractions, there will be many more games and activities available throughout the day, ensuring there is something for everyone to enjoy. There will also be a jacket potato van, cake stall and ice-cream van. Students will need additional money if they wish to purchase anything from these vendors. There will be free popcorn and candyfloss with all ingredients listed for students to assess their suitability based on their allergies.

We recognise that not all students may wish to participate in the rides or may benefit from a quieter environment during the event. A dedicated Quiet Zone will therefore be available throughout the day, providing a calm, supervised space for any student who wishes to access it.

The carnival will be fully supervised by academy staff, and all rides and attractions will be operated by experienced, fully insured professionals. The safety and wellbeing of our students will remain our highest priority throughout the event.

This is our way of recognising the fantastic efforts of our students and thanking them for their positive contribution to academy life over the past year. We hope this special event provides a memorable and enjoyable end to another successful academic year.

If you **DO NOT** wish your child to participate in any of the specific carnival rides listed above, please email [info@onewa.co.uk](mailto:info@onewa.co.uk) before the event, clearly stating your child's name, tutor group, and that **you wish them to opt out of the specific ride**. Students who are opted out will be given a wristband to make them identifiable and will still be able to enjoy the wider carnival atmosphere and other supervised activities, including access to the Quiet Zone if they wish.

Students can attend in their own clothes, appropriate for the weather and the rides, should bring a refillable water bottle and wear sun cream, particularly if the weather is warm.

Yours sincerely,

Mr. C. Cooling  
Principal
