24th September 2026

Dear Parents and Carers

I'm writing to provide an update as to what students will be learning and making this term in Design Technology – Food.

We will be undertaking ten practical lessons this term which will include: knife cutting skills, fruit carving, pasta salad, healthy breakfast muffins, vegetable chow mein, healthy chicken nuggets, homemade coleslaw, mayonnaise, spaghetti bolognaise, poached eggs, avocado and focaccia bread.

To save families time and money, and to avoid students carrying their ingredients to the academy, we will now provide everything students need for these sessions in return for a small parental contribution towards the cost.

The total amount required for the term will be £16.00 and this will need to be paid before 23rd October 2026. Students are asked to take the money directly to the Finance Office, located on the Endeavour ground floor.

If you have any questions regarding the cost for the food lessons, please don't hesitate to get in touch.

Yours faithfully

S. Ghattaura
